

# Makes

We are talking about Ayer's Hair Vigor. Just note that word "Ayer's." You are perfectly safe with it. No harm to you or to your hair. Makes the hair grow? It certainly does. Stops falling hair, too. Remember, it's "Ayer's" we are talking about, Ask your doctor about your hair and about Ayer's Hair Vigor. Get his approval. Your own doctor and "Ayer's" make a strong combination. It means faith, confidence, satisfaction.

## Ayer's Hair Vigor DOES NOT COLOR THE HAIR

Prepared by Dr. J. C. Ayer & Co., Lowell, Mars., U. S. A.

Dated at Honolulu, Territory of Hawaii, this 10 day of November, A. D.

JOSEPHINE WAGNER, Administratrix of the Estate of John Wagner, Deceased, Nov. 10, 17, 24; Dec. 1, 8.

## POLICEMAN DRUNK AND VERY JEALOUS

Deputy Sheriff Fetter stated last week that, while he did not believe the story told by Ewaliko and Burrows, to the effect that the shooting was acsidental, he had made no further inintend to cause the arrest of the officer, as Burrows declined to make any complaint. Ewaliko has not been discharged, but Fetter has suspended him until

an officer, has stirred up considerable unfavorable comment. It has been learned—and the fact is corroborated by Fetter—that on the night in question Officer Ewallko was drank. As a matter of fact, when he turned up at widnight to we are an duty he was seen midnight to go on duty, he was so drunk that he was sent home by Lieutenant Kepoo. He did not go home, however, but went, while still in uniform, to the Roback house where the shooting occurred. This is as far as the police investigation has gone.

In the mean time the story is persistent that the hosting occurred.

of the face there were deep scratches from the nose to the ear, and a deep black and blue spot which when cut open was found to be full of dark blood, this wound having been made

When the scalp was removed there was shown to be no fracture of the skull, but the brain showed a coagulation over the right temple and right ear as if some heavy blow had been struck with a blunt instrument. Both eyes were discolored and there was out when the skull was opened.

Dr. Emerson testified as his belief that the deceased had met his death

by drowning.

He considered that the injuries to the body were received before entering

#### the water. Member of C. A. C.

Per str. Claudine, from Hawaii, via five in the party which went into the Maui ports, Nov. 22.—D. R. Maconnelle, J. D. Tucker, A. Kraft, W. Bartopay for the round. Ritchey put down erected. Dr. Elliott appointed as such twenty-five cents and the fifteen cents committee, in change was given to Schooley as he was broke. Schooley was dressed in a

light gray suit, and was sober.

E. J. Dale told of seeing Schooley between five and seven in the evening and again between ten and eleven at which time he was in the crowd which went into the Criterion. He saw Schooley last starting towards River street along Hotel alone, sober, about ten minutes to eleven.

After the questioning, Dale said that he heard during the day that Schooley had cashed a check for \$480, but he did not know if this was true.

Before joining the artillery, Schooley and when it is done successfully it is an advantage to the Territory and to the plantations and the homesteaders and others alike.

"It is particularly to the interest of the small men, and future would be bone fide homesteaders that land should be bone fide homesteaders.

He was in the habit of receiving mon-ey from home, and a year ago requested ey from home, and a year ago requested one of The Advertiser business force to accompany him to a bank for the purpose of identifying him so he might draw the money on a draft from Baltimors or Philadelphis. He stated that his slater and slace had just arrived and he was going to act them up in konsekeeping with the money.

#### For More Witnesses.

Coroner Charles Bose was not satis-fied with the information he received from last night's witnesses before the jury and he adjourned the inquest un-

ill Monday evening, by which thus he homes to have others to tentify.

It is governally believed that Schooley was mixed up in some fight around some animes, and he may have follen into the streem afterward in trying to some the rapid training like's bridge.

## TAR AND FEATHER CASE.

Engaged Line Allin, who have been in sub-

at Leilchua-Case Opens Today.

The jury in the Cederlof murder ase, for which Sergeant McMahon is being tried, took a trip to Leilehua yesterday and viewed the scene of the crime in company with the prisoner, and two deputy United States mar-

It is usual in important cases for the nembers of the jury to see the spot where the crime was committed, and so Judge Clemons ordered it to take the trip yesterday, going down on the train and returning the same way late in the afternoon. Deputy United States Attorney Bitting uccompanied them, representing the government, and Attorney Eugene Murphy, as counsel for the defendant, made the trip also.

after December connect with every train on its arrival at the station and will Jeave from opposite the Japanese boarding school at the village in time to meet every train. A fare of five cents will be charged adults; children under twelve, if railroad passengers, and all school children riding on the train, will go free. The stage will also carry freight to and from the village at a rate of fifty cents a ton.

In the meanting the same way late in the content will go free. The stage will also carry freight to and from the village at a rate of fifty cents a ton. where the crime was committed, and Per str. Kinas, for Kanai ports, Nov. and returning the same way late in the 21.—R. G. Henderson, S. Frank and afternoon. Deputy United States Atwife, C. Nishikawa, Mrs. H. S. Dan, torney Bitting accompanied them, repredefendant, made the trip also.

court Wednesday afternoon that it was a part of the court procedure in the case to view the scene of the crime, this could not be done unless the defendant was on the scene to see what was done, and so the court ordered a part of the court procedure in the was done, and so the court ordered McMahon taken along on the trip in charge of two deputy marshals. This morning the case will be opened in the federal court by the calling of

the first witness, and it is expected that the trial will occupy at least one week. Attorney Andrews stated two days ago that the defense could put on its case

in two duys, he thought.

Judge Clemons has ruled already that the jury will be free to come and go during the trial, and will not be locked up at all, its individual mem-bers being trusted not to discuss the case outside of court and being advised that it would be better for them not to read anything about the case in the

# FEDERAL BUILDING

HILO, November 20 .- At an adjourned meeting of the board of trade last Thursday, Postmaster Decha sead letters which he had received from Washington asking him to secure certain data in regard to the character and topography of the federal building lot and its surroundings, as the treasury department must have such data before further action could be taken for the building.

County Engineer Southworth, to whom Mr. Desha had referred the se-Sergeant Clarence M. Gidden, quartermaster-sergeant at Fort Ruger, was the next witness called and gave the record of Schooley in the artillery. He oined the 159th company May 3, 1910, was forty-five years old and was born at Walford, Virginia. Gidden saw him at eight-thirty Wednesday evening, just as Schooley was going to the Bijon and he was starting for home.

L. H. Ritchey, chauffeur, testified to having seen the sergeant before dark and again at a quarter to eleven Wednesday evening at that time going into the Criterion for a drink on Schooley's invitation. He stated that there were five in the party which went into the

Governor Frear, referring to the Kaiwiki III homestend cases, yesterday, stated that the government has with-drawn a number of cane land tracts during the last year and expects to withdraw others, whatever the result convene at the marine barracks at ten did not know if this was true.

Joe Pha was the last one called to testify and he told of finding the body face down in Nuuanu stream and notifying the police by telephone from a Japanese store. The body, he said, man fast on some projection at the bot-

Letters and Change.

In the pockets of the dead man were found two letters and between six and seven dollars in change. One of the seven dollars in change. One of the seven dollars in change. One of the letters was from his niece, Mary, and out lands without reference to whether another was from his brother Will. One came in an envelope with a return eard reading: "Schooley Company, Choice Seed and Milling Wheat, Hagerstown, Md."

out lands without reference to whether There will be one charge under the homesteading is to be successful or not. Public lands, of course, should not be given in homestead forms, except insofar as that can be done successfully, post exchange, was guilty of irregular-

not be given out now to fake kome-steaders, consequently the all-important question is the success of homestend-ing, not merely going through the form of homesteading."

Deputy Attorney General Smith re-turned from Hilo yesterday by the Claudine, He has been there represent-ing the Territory in the Kalwiki III homestead cases. He said that the cases are to be submitted to the court on briefs immediately a transcript of the evidence has been made.

#### SUSPECTED OF MURDER.

RAN FRANCISCO, November \$4.0 John Regurs, who is suspected of the murder of Mr. Goodman, has surtendered and returned \$5000 worth of juvels. He declars his lancemen of line mursket.

#### THREE TIMES AND OUT,

Trial Body Views Scene of Crime Will Connect Villages With Rails Along Its Extension Into Honomu District.

(Mail Special to The Advertiser.)

HILO, November 20,-The Honomu station is now open for passengers and freight husiness, and its opening will soon mark a new departure for the Hilo Railroad Company, which will at this point go into the stage business by running a regular stage between the sta-tion and the village. The stage will after December connect with every

District Attorney Breckons held in ourt Wednesday afternoon that it was court with a court procedure in the part of the court procedure in the court with the villages in the neighbor-

#### A Motor Service

The railroad also started yesterday new service to Kenau by means of its new gasoline motor car, which is an entirely new thing for this territory. The car will make the round trip between Kean and Hilo twice a day, with a special night train on Saturdays. If this service is found to be successful, it will be extended to Pahon and Kapoho. As it is it will be run at such
hours as will enable people from Puna
points to run to Hilo and beyond and
back on the same day without inconvenience, while Hilo and Hakalau extension passengers can visit Puna points in the same manner. The ordinary passenger accommodations of the car are sufficient for twenty-four pascar are aumicient for twenty-tour pas-sengers, but in addition to this, the car can carry, if need be, ten or twelve more passengers in the motor room, where there are comfortable seats for the purpos

Honolulu Bridge Complete The Pakeekee gulch bridge at Hon-

omu has been completed, and work trains are running over it. The bridge work workers are now busy placing the top-sections on the bridge across the Koli-koli gulch, which is about a mile on this side of Hakalau.

When the work on this side of the

Hakalan has been completed, and it lacks now only a few finishing touches, Contractor Wilson, whose contract went as far as Hakalau, will cease his conas far as Hakalau, will cease his con-nection with the railroad work. He will, however, open an office in Hilo, in addition to the office which he has been maintaining right along in Honolulu, and states that he will make Hilo his headquarters for the time being.

The railroad company will itself take up the work of construction beyond Hakalau, with Harry Kluegel in charge as engineer. The line work will, as has been the case under Wilson, be split up into numerous smaller centracts, but these will in the future be direct under the railroad company.

Nichols, Supervisor Marine Private Will Face Two Charges, One Being for Embezzlement.

> Scandalous conduct prejudicial to the service, and embezzlement of public funds will be the two charges preferred against Private Eugene Love, of the United States marine corps, who is now o'clock this morningg. Lieutenant R. S. Kingsbury has been

appointed judge advocate of the court, be about completed on the day the con-the other members being: Lieutenant tract ends, the finishing touches may H. B. Pratt, Second Lieutenant E. A. take some little time afterwards, but Blair, Second Lieutenant G. A. John-son, Chief Boatswain P. A. Kenney and Chief Gunner P. Babson, Captain A. T. Marix has been appointed counsel for the accused.

post exchange, was guilty of irregular-ities in accounts. He will be charged with having failed to ester receipts from enlisted men. One such item will be \$5.25, which he received from a marine and failed to suter in the books.

The embezzlement charge will be more serious. This involves his famous tobacco deal, in which he senured a large umount of tobacco from Hackfeld large amount of tobacco from Hackfeld & Co., which was charged against the account of the post exchange, and is alleged to have been disposed of for each to Kilpatrick, the local tobacco dealer. The money derived from this sale is reported to have been pecketed by Love just about the time he left here for the Coust in the Sierra. The irregularity was discovered after Love anticed and on his arrived in San Francisco he was agreeded and has since according to the countries of the aren datalized as a principal, if the charges are proved Love may seesive a prizon zentence.

## COULD SAIL IN

(Continued from page One .. While President Dillingham is certain that the actual dredging work will

not wery long. Rad Letter Event. Should Admiral Thomas receive au-

thority from the navy department to take his fleet of five cruisers up the channel, there would be only the lines of one or two dredgers to loosen and remove from the path of navigation. There is practically nothing to hinder the passage of the fleet into the inner basin opposite the drydock, except an adverse decision by the navy officials at Washington.

As a part of the maneuver program for the Pacific fleet the passage of the fleet up the channel would be in the light of an event, not only in the his tory of the Hawaiian Islands, but of the United States, for the opening of the channel to navigation for warships has been the dream of naval officers sinces the old wooden frigute Constitution-"Old Ironaldes"-was here in the '40s.
